Crisis Assistance Relief Effort

The Hormel Foods CARE Program is here to help team members in need!

What is the CARE Program?

CARE is a program available to team members who may experience an undue financial hardship as a result of certain crisis and emergency situations such as tornadoes, floods, fires or medical emergencies. The program is funded by donations from team members as well as fundraising proceeds.

Who is eligible to apply?

Active U.S.-based team members of Hormel Foods and its subsidiaries who find themselves in a financial hardship situation caused by a recent (within the past 60 days) qualifying crisis event affecting them and/or an eligible member of their immediate family.

What assistance is available?

Up to \$2,000 per request may be granted to eligible applicants (*maximum of two grants for separate crises; totaling no more than \$4,000 in a 12-month period*).

If you need help applying, please reach out to your locational human resources office for assistance.

How to donate

Tax-deductible monetary donations can be made to the CARE Program at any time.

- Donate online (scan QR code below):

- Sign up to have a donation deducted from your paycheck; or mail a check directly to the Hormel Foods CARE fund administrator (*contact human resources to fill out a contribution form for these two options*).
